PRESIDENTS SECRETARIAT

New Delhi, the 11th February 1964

No. 21-Pres./64.—The President is pleased to award the President's Police and Fire Services Medal for gallantry to the Undermentioned officer of the Uttar Pradesh Police :—

Name of the officer and rank

Shri Ramindra Narain Pande,

Sub-Inspector of Police,

Civil Police,

Fatehgarh, Uttar Pradesh.

Statement of services for which the decoration has been Awarded.

On April 2, 1963, information was received that the notorious dacoit Brijendra Singh was waiting in village Kumhraur, P.C. Rajepur, Fatehgarh District, for some of his associates prior to committing a dacoity.

A police force under Shri R. N. S. Tyagi, Deputy Superintendent, reached Kumhraur at about 8.00 p.m. and surrounded the house in which the dacoits were reported to be. When called on to surrender, the dacoits opened fire on the Police and a gun battle then took place lasting about half an hour. Finding this mode of dislodging the dacoits ineffective, the Deputy Superintendent along with an Inspector, Sub-Inspector Ramindra Narain Pande and two other Sub-Inspectors, rushed through the main gate of the house and entered the first room. The two Sub-Inspectors then went into another room suspected to be occupied but as they stepped into it they were fired at and forced to withdraw. Sub-Inspector Ramindra Narain Pande, despite the obvious danger to his life, then went into the room and flashing his torch round the room saw dacoit Brijendra Singh crouching behind a cot and shot him dead. As Shri Pande left the room, the other dacoits opened fire. Finding their position untenable, the five officers withdrew again to the gate. The Police then fired a Very Light which set fire to the thatched roof of the house, so compelling the two other dacoits Janki and Ram Saran to come out. In the encounter that ensued they were shot dead.

Shri Ramindra Narain Pande showed conspicuous gallantry and devotion to duty of a very high order in entering a dark room and shooting dead a well armed and notorious criminal,
